WELCOME TO OUR CONSTRUCTION ADMINISTRATION & OBSERVATION DEPARTMENT

Carroll Engineering provides construction administration and observation services for the wide variety of engineering projects we design, including but not limited to: bridges, sanitary sewer, water main, and municipal projects of diverse scope and complexity. Our field representatives maintain various certifications such as NECEPT (bituminous concrete paving), NICET, ACI (concrete testing), and NASSCO (sanitary sewer pipeline, manhole, and lateral assessment) and maintain comprehensive project documentation for Local and State projects.

WHAT WE DO

- **Construction Observation**
- **Construction Documentation**
- **Submittal Data Review**
- **Progress Reporting**
- **Payment Application Review**
- **Project Schedule Review**
- **Project Closeout**
- **As-Constructed Drawing Review**

"Quality is a state of mind and our driving force here at Carroll Engineering Corporation is to continuously provide the best level of experience to all of our clients. We strive to exceed expectations, build long lasting relationships, and utilize our projects to better each of our surrounding communities. Our departments within the firm act as consultants to each other, thus integrating all our knowledge, skills, and experience to ensure the most practical, efficient, and sophisticated solutions to every challenge. We identify and address potential problems at the earliest planning stage, then employ our innovative design approach for preventing difficulties and bringing our clients' projects to their satisfying completion. Thank you for entrusting our team with your projects and communities. We sincerely look forward to seeing and sharing in your success for years to come. "
